

PA Victim Services Training (PVST) Available Online through PCCD!

Online Training Option Available for PCCD-funded programs

PCCD's Office of Victims' Services (OVS) is excited to offer its Pennsylvania Victim Services Training (PVST) Online Learning Management System. The PVST was created to fill a need for easily accessible, high-quality, free training for victim advocates at PCCD-funded programs. PVST courses count for PCCD training hours and courses can be taken as the learner's schedule permits. The PVST also keeps a record of a user's course completion and credit hours earned.

The courses on the PVST are designed to complement, reinforce and enhance the PCCD Foundational Academy and the online offerings on the learning management systems operated by PCADV, PCAR and the Pennsylvania Chiefs of Police Association.
